Charges and Remissions Policy

Introduction

All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum with the exception of individual music tuition.

Voluntary contributions

The school invites parents to make voluntary contributions in order to enrich the curriculum and their children's educational experience. These contributions are voluntary. Children and parents are treated equally regardless of their willingness or ability to contribute.

When organising additional activities, the school may invite parents to contribute to the cost of the activity. All contributions are voluntary. Children whose parents are not able to make a contribution will be included in the activity. We do not treat these children differently in any way.

The following is a list of additional activities organised by the school, which may require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- Educational outings
- Visits to the theatre
- Musical events

Residential visits

Parents are charged for board and lodging only, the charge will not exceed the actual cost of board and lodging per child.

Parents of children with statements and children eligible for Free School Meals would not be required to meet the full costs of board and lodging.

School Dinners

Parents are required to meet the cost of school dinners unless they have obtained a Free School Meal entitlement.
