

PUPIL PREMIUM STRATEGY STATEMENT

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Independent Jewish Day School
Number of pupils in school	233
Proportion (%) of pupil premium eligible pupils	0.4%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	3-year plan, to be reviewed at the end of each academic year
Date this statement was published	September 2023
Date on which it will be reviewed	July 2024
Statement authorised by	Yosh Radomsky / Stacey Sinclair
Pupil premium lead	Yosh Radomsky / Stacey Sinclair
Governor / Trustee lead	Michael Paluch

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£1455
Recovery premium funding allocation this academic year	£0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£1455

PART A: PUPIL PREMIUM STRATEGY PLAN

Statement of intent

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Challenging circumstances at home make supporting children's academic progress difficult
2	Financial constraints, therefore unable to afford extra-curricular activities
3	Emotional impact that challenges at home are having on the child when at school

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To raise the attainment level in English Reading	Children to achieve the age-related expectations at the end of the academic year
To raise the attainment level in English Writing	Children to achieve the age-related expectations at the end of the academic year
To raise the attainment level in Mathematics	Children to achieve the age-related expectations at the end of the academic year
To provide extra-curricular activities	Increased attendance in school clubs, which in turn will support children's emotional wellbeing and academic progress

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £735 (approx)

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>School clubs</i>	Increased participation in clubs and a range of activities. Children's mental health improves.	2
<i>School lunches / outings</i>	Children eating a healthy and filling lunch. Children able to attend school trips with their classmates. Children's mental health improves.	2
<i>External agency support eg: school counsellor, play therapy, art therapy</i>	Children able to access professional support where required, where families would normally be unable to finance this. Children's mental health improves.	1,2,3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £included in school budget, as part of staff costs

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>1:1 intervention</i>	Increased attainment in R,W,M Increased progress in R,W,M Increased confidence and participation in class	1,3
<i>Small group intervention</i>	Increased attainment in R,W,M Increased progress in R,W,M Increased confidence and participation in class	1,3

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £720 (approx)

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>School Counsellor</i>	Improves communication skills with peers Develop self-confidence and self-esteem Emotional wellbeing is enhanced	2, 3

Total budgeted cost: £1455

PART B: REVIEW OF OUTCOMES IN THE PREVIOUS ACADEMIC YEAR

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

July 2023

- 100% working at expected levels in Maths
- 100% working just below expected levels in Reading
- 100% working below expected levels in Writing

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
PSHE curriculum	Jigsaw
Maths resources	Numicon
Early Phonics / Phonics	Twinkl Phonics
Geography planning and resources	Oddizze
KS1 and KS2 Booster books	CGP
