

## **Covid-19 IJDS Behaviour Code of Conduct**

### **Arrival and Departure**

- All children should follow the clear routines on arrival and departure.
- There should be no congregating at the gates.
- Children should follow their designated routes to the classrooms.
- Parents and visitors to school should be appointment only.
- Children should come to school directly from home.
- School should be notified if a family has used public transport.
- On arrival, children will place their bags at a designated chair for easy access.
- Departure is staggered and we ask that parents and carers are prompt and clear the area swiftly.

### **Hygiene**

- Regular hand washing must take place, following clear guidance, using warm water and soap.
- Children will wash their hands on entry to the classroom, before and after break, before and after eating.
- As far as possible, children and staff should avoid touching their face.
- Tissues must be used to 'catch it, bin it, kill it'.
- All tissues and hand towels to be placed in the bin.
- Children are to maintain a safe distance from staff.

### **Moving around school**

- Only use the specified areas in school that are clearly labelled.
- Move through the school as directed by the teacher.
- Only use the specified route to and from the clearly marked play area.
- Each class bubble is to stay within their class bubble and away from other groups.

## **Socialising and contact with others**

- Everyone is expected to follow the socially distancing rules.
- Children should keep apart from others and follow the markings in the classrooms, corridors and playground.
- Children should stay seated in the dining room and sit at designated spaces.
- When lining up, children should socially distance.
- There should be no physical contact.
- There can be no sharing of toys, equipment, resources.
- Drinking bottles and snacks must not be shared.
- The water fountains are out of use.
- Children will be allowed to use the toilets in a managed and controlled way, with regular cleaning in between.

## **Illness and sickness**

- If a child or anyone in the family is experiencing symptoms of Coronavirus, you cannot attend school and should follow medical advice and guidance.
- If a child becomes ill during the school day, they must report it to their class teacher.
- If a child is experiencing symptoms of the virus, they will be placed in an isolated space, with supervision and parents will be contacted to collect.
- If a child in the class bubble tests positive for the virus, Public Health England will be informed and it is possible that the entire bubble will need to be in isolation for up to 14 days.
- Any child who is sick must not come to school.

## **What should be brought to school.**

- A pencil case for personal use during the school day. No school equipment will be available.
- Snacks and water bottles, clearly labelled, in manageable packages.
- A book or small toy that can be played with for our younger pupils.
- Each child should have some tissues for their own use.
- Packed lunch for Key Stage 2 pupils, according to our school food policy.
